

## CUSTOMIZED ASSET-BASED FINANCE SOLUTIONS

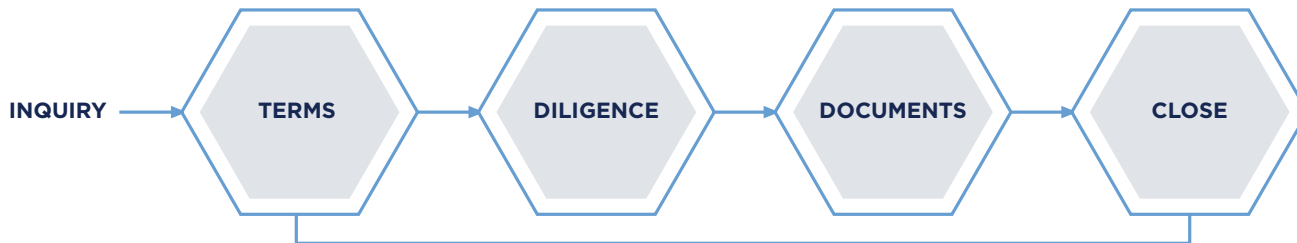

We provide flexible options for financing preowned business aircraft – further enhancing the jet acquisition experience and optimizing investment for aircraft owners and operators.

Through our ability to underwrite an aircraft at the component level, JSSI Aviation Capital becomes an alternative to traditional lending.

Underpinned by JSSI's deep understanding of aircraft values and maintenance – we partner with the borrower in preserving the value of the aircraft.

## EASE | FLEXIBILITY | SPEED

- ✓ Committed capital for speed and certainty of closing.
- ✓ From Terms to Closing in just a matter of weeks.

## STRUCTURES TO MATCH YOUR PURCHASE OR REFINANCING NEEDS

Loans, Leases, Progress Payments
